

Russ Wagner

After 30 years in professional ministry, church planting, and leadership in the traditional denomination church system, in 2001 Russ left it all and began meeting in a House Church. He has invested the past 19 years training and coaching folks to begin Home Congregations. Russ is the Official Trainer of Home Congregations leaders for Strike Force of Prayer, and the Brigade Captain for the State of Indiana. He is also the founder and part of the Leadership Team at Omega Kingdom Ministry. Russ & Diana have been married for 49 years, and have 2 grown, married adult children and 7 grandchildren. They live in rural Northeast Indiana. When he has time to do so, Russ enjoys the lake activities: fishing, swimming, boating, tubing, fire-pit cooking, and family times together.
