

Gaile Mitchell BIO

Gaile Mitchell is a native of New Mexico. I have lived all over this great United States of America. The last 28 years I have lived in Albuquerque. I received a Doctorate from Wagner Leadership Institute. I am one of the Strike Force of Prayer Brigade Captains for New Mexico. I have been in full time ministry for the past 10 years ministering inner healing and deliverance to hurting men and women as well as those who have experienced ritual abuse, DID, and a multitude of other hurts and trauma's. I had a home church for about 8 years. I knew something was missing. I heard Mark Taylor talking about the 501c3 and I knew that was a key to what Holy Spirit was showing me. I dissolved my 501c3 ministry a couple of years ago. I knew God was doing a new thing. I continued the inner healing and deliverance sessions as I sought the LORD. I heard Mark Taylor talk about Omega Kingdom Ministry and searched a matter out and took the 12 week course. I am now facilitating a home fellowship (ekklesia). I am on the Round Table leadership team of Omega Kingdom Ministry and loving doing the coaching classes.
