### **Generational Anointing**

Here is the outline many of you requested to the lesson I shared at Saturday's Ekklesia at 1pm on the spirit of Elijah and the spirit of Jezebel.

Malachi 4:5-7

1. The spirit and power of Elijah is being raised up in a major way right now.
2. Principle: The spirit of Elijah will always stir up the spirit of Jezebel.
3. Revelation 2:23.
4. The spirit of Jezebel is a principality and power that controls regions and nations.
5. The spirit of Elijah will do three things...
  1. Turn the hearts of the fathers to their children. (The next generation)
  2. Turn disobedience to righteousness.
  3. Make ready a people prepared for the Lord.
6. This is the same thing John the Baptist did for the first coming of Messiah.

WHAT IS THE POWER OF THE ELIJAH SPIRIT?

1. It is a prophetic anointing. (Not just future, but now) Through prayer, teaching, personal ministry, dreams and visions. Includes: sin, compromise and a need for change.
2. It is a restoring anointing. Someone has to call one's attention to the problem. The first step is to see the NEED for deliverance.
3. It is a forerunner anointing. To prepare the way of the Lord. This is all about a "generational anointing." Before Jesus comes to judge He is first coming in His glory to restore and redeem. We must strike first.

WHAT IS THE JEZEBEL SPIRIT?

1. It is a war for the next generation. Fatherlessness has overtaken our nation; it is the curse of Jezebel.
  1. Revelation 2:23a, "I will strike her children dead..."

2. It is control tactics against the true spiritual authority of the Ekklesia.

1. Tactic one – a MESSENGER. (1 Kings 19:2)

2. Tactic two – FEAR. (1 Kings 19:3)

The word for afraid in the Hebrew is literally, “he saw.”

Saw: “to consider or take heed.”

Many well intentioned people are being used against you as a messenger of Jezebel.

He was thinking too much; thoughts implanted by the evil messenger.

3. Tactic three – DISCOURAGEMENT.

4. Tactic number four – OVERWHELMED.

You can go from quoting scripture to thoughts of suicide in one week.

5. Tactic number five – SELF-PITY.

This is only happening to me.

6. Tactic six – ISOLATION.

I don't fit in here, no one understands.

You do fit into this Ekklesia network!

7. Tactic seven – DECEPTION.

Even while having a profound experience with God speaking to him, he is still fighting it.

Conclusion:

1. The minute you feel any of these you must go on the offensive...

1. Keep your prayer life up.

2. Cover one another in prayer and love.

3. Walk in purity and humility.

4. Don't fear but use the shield of intercession.

2. Bottom line: NO toleration.

1. The Elijah anointing is upon us NOW.

2. We must strike first...we are fighting for the next generation...

3. JESUS wins every time. Amen.
