

John Gittinger III

John met and accepted Jesus Christ as his Lord, Savior and best friend while he was a kindergarten student in a Roman Catholic boy's military school. He walked with the Lord until he was a freshman in high school; where, due to the influence of a public secular (mis)education/indoctrination into evolutionism, cosmic humanism and scientism and the mountains of science fiction and other occultic literature he devoured as a child and adolescent he rejected Christianity/Churchianity on the basis of the simplistic and reductionistic straw man caricature proposed and created by his Catholic upbringing. John then walked into, explored and embraced the intellectual model(s) and experiential fruits of parapsychology, sorcery, the occult, Eastern mysticism, monistic pantheism, kundalini and finally, siddha yoga. Delivered from a confirming shared satanic false miracle and close encounter of the 4th kind by the Lord Jesus Christ, he immediately denounced the occult and has since striven to know, obey and become a bond servant of Jesus. John has a graduate paralegal certification, both Bachelor's and Master's Degrees in philosophy and a Juris Doctorate and has practiced law in the State of Texas since November of 1984. He is a practitioner of and proponent and advocate for supernaturalistic biblical Christian theistic apologetics, has 5 born again beautiful children, has recently completed Ecclesia boot camp under Russ Wagner, is involved with Strike Force of Prayer and Intercessors for America and is starting a home congregation through Omega Kingdom Ministry.
