

## **April 2020 National Time of Prayer and Fasting**

Millions of people around the world are in fear of COVID-19. They worry this could be the collapse of civilization and their finances. Many feel that COVID-19 is a result of America and the World moving farther and farther away from God and embracing the selfishness and evil of the world.

In the bible the city of Nineveh was the largest, most powerful city in the world, but due to evil there, God told Jonah to go and warn the inhabitants to repent or they would be destroyed. Jonah did not want to warn Nineveh because he personally hated them and knew that if they repented God would forgive them and stop the planned destruction. He obeyed God anyway. When the king and people of Nineveh heard of their impending doom, they repented and prayed, and were spared.

While we DO NOT believe that COVID-19 was sent by God to destroy us, we do believe that it is being used as a warning to us, and that now is the time that God wants the believers in America and World-wide to repent and pray for a turning away from any sinful paths we've been following. We believe God is telling us we need to set aside time for prayer for America and the World.

Evil has been wrapped around America like a strong, thick wall similar to the wall of Jericho. In its day, the wall of Jericho was so strong that it was thought to be impenetrable, yet it was brought down with the blast of trumpets and shouts of Victory! We believe that God is telling us to follow the pattern of Joshua in breaking down the stronghold erected around our Country and the World.

We are inviting the body of Christ to pray for America and the World and to worship God for His goodness! We are calling for Seven Days of Prayer, Worship and Fasting for America (and the World)!

Starting on April 1, 2020, we invite everyone to pray DAILY for 1 week. If possible, try to spend an hour each day in prayer, worship & meditation. Repent on behalf of America's sin (and the World) for turning its back on Him. Ask Him to bind the spirit of fear that has attached itself to so many. Ask Him to cleanse the world from the evil that has been spread by Entertainment, Media and Political systems here, as well as personal selfishness/sin we may have allowed to seduce us away from living Godly lives. During this time, fast at least ONE day. . . this fasting can be from food or entertainment/media, anything that has led us away. We also ask for everyone to pray for all the victims of this evil (ie: trafficked children & adults & any trapped in that lifestyle.) Agree in prayer that those using and abusing them will be brought to swift justice!

On April 7<sup>th</sup>, 2020, we ask that everyone finish their time of prayer with a shout of Victory to the Lord! We believe the walls will come crumbling down!!!

We pray that everyone is safe and blessed as we go through this time when the world is being "re-set" by the Lord. We will see it changed for the better and we will not just overcome, but grow stronger in Him.

Please spread this word to everyone you know, the more people that are praying, praising and fasting for repentance the better. God is waiting to bless us, and He is eager to release more of His goodness & Kingdom plans on the earth.
