*Decrees & Declarations To:*

- *Cut off the head (authority) and uproot wicked systems at play within the United States of America (See also, 'Operation Lock & Load', Parts I, II, III)*

Almighty Lord & King, we repent on behalf of America, for not raising up our children in the way that they should go. Forgive us for not honoring the sanctity of marriage and family, for allowing numerous evils to creep into our minds, hearts and our nation. Forgive us for operating in fear, apathy, complacency and lethargy. Forgive us for not teaching our youth how to grow in wisdom and forsake foolishness, that each one of them is loved, accepted, significant and gifted to take part in the advancement of Your Kingdom. Forgive us for not speaking to their true identity in Christ, for not helping them to find their God-given purpose, for not sharing knowledge, understanding and wisdom. We repent now and endeavor to be bold in pursuing the mind of Christ and our nation's righteousness. Empower us to see each person through Your eyes so we may encourage and teach them to follow in Your perfect way. We thank You for Your divine mercy upon us, and our great nation, and we call upon You, great merciful King, to come to our aid and defend America now, in her greatest time of need. Deliver us from all evil. Strengthen us, equip us and empower us to successfully uproot every demonic stronghold and principality from the mind and heart of this nation. Be glorified from sea to shining sea and beyond...

As God's Ekklesia, We decree:

- We forbid any and all extremist organizations from radicalizing our children, youth, men and women to be utilized for the dark purposes of advancing evil political, social, military and economic agendas. (shadow hacking / "shadow gate")
- We forbid shadow hacking in our nation.
- We forbid the usage of "smart justice" or international justice methods within the USA. We shut tight the door to any such devices, methodologies and systems, as
